Attorney Docket No. C01104/70016

## DECLARATION FOR PATENT APPLICATION

As a below named inventor, I hereby declare that

My residence, post office address and citizenship are as stated below next to my name.

I believe I am an original, first and joint inventor of the subject matter which is claimed and for which a patent is some of the subject matter which is claimed and for which a patent is some of the subject matter which is claimed and for which a patent is some of the subject matter which is claimed and for which a patent is some of the subject matter which is claimed and for which a patent is some of the subject matter which is claimed and for which a patent is some of the subject matter which is claimed and for which a patent is some of the subject matter which is claimed and for which a patent is some of the subject matter which is claimed and for which a patent is some of the subject matter which is claimed and for which a patent is some of the subject matter which is claimed and for which a patent is some of the subject matter which is claimed and for which a patent is some of the subject matter which is claimed and for which a patent is some of the subject matter which is claimed and for which a patent is some of the subject matter which is claimed and for which a patent is some of the subject matter which is claimed and for which a patent is some of the subject matter which is claimed and for which a patent is some of the subject matter which is claimed and subj

the specification of which is attached hereto unless the following is checked:

was filed on March 13, 2001, as Application No 09/805,590, bearing attorney docket NoCKC-019.02, and was amended on (if [x]applicable).

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, §1.56.

I hereby claim foreign priority benefits under Title 35, United States Code, §119(a)-(d) or §365(b) of any foreign application(s) for patent or inventor's certificate, or section 365(a) of any PCT International application designating at least one country other than the United States listed below and have also identified below any foreign application for patent or inventor's certificate or PCT International application having a filing date before that of the application on which priority is claimed:

Prior Foreign PCT International Application(s) and any priority claims under 35 U.S.C. §§119 and 365(a),(b):

				Claimed
